

Gordon, Voss Rev. Daniel Hiner

Principal, Queen's University

Oct. 1915

October 15th, 1915.

Principal Gordon  
Queen's University  
Kingston Ont.

Dear Mr Principal:

The Superintendent of Education has sent to me, as Chairman of the Matriculation Board, the accompanying announcement for schools with regard to instruction and examination in the History and Geography of the War. He suggests that the Universities may be willing to co-operate in this matter as regards the Matriculation Examination. Last year the Universities took action in this way, and I feel sure that the University of Toronto will be glad if the other Universities will join with it in recommending to the Matriculation Board that similar action be taken this year.

Yours very truly,

President.
